the CUSCOTOPIA

“...FAITH IS THE SUBSTANCE OF THINGS HOPE FOR...THINGS NOT SEEN.”

✧ He is Faithful ✧

Oh come, let us sing to the Lord! Let us shout joyfully to the Rock of our salvation. Let us come before His presence with thanksgiving; Let us shout joyfully to Him with psalms. For the Lord is the great God and the great King above all gods. Psalm 95:1-3

NEW SPACE FOR RENT

Right next door to the place that we have been renting for the last year, a new space came available for us to rent as a church. This has been a huge step of faith as we have jumped in with both feet. This new space will be used for our adult service on Sunday morning while the children will continue to use our current

location. The decision to move forward with renting the space raises our monthly rent quite a bit, but we are trusting that the Lord will provide as He grows our church family. Please pray with us that He will grow the people in our church fellowship and that they would understand the blessing of giving and sacrificing for the Lord.

A Bible for Manuel

After months of searching for a Bible with big enough letters, we surprised Manuel one Sunday morning with his new treasure. He was so smiley and so happy, he had a little table made so he could sit on his bed and read everyday. Now he's back in the Word after years of struggling to read.

Bible Club kick-off

Earlier last month we had a kids festival to kick off our upcoming Bible Club. We had a great turn out and extra hands to help with all the activities; since then many of the kids have stayed consistent in attendance. Every Saturday during this month we'll meet in the park to play and gather the kids, then head to the church for a puppet show, craft, singing, Bible lesson and a snack. This has been a great way to build relationships and to get to know the families in the neighborhood as our end goal is to invite the parents to church as well. Please pray for these precious hearts to lead their families to Jesus!

Cafe Project

For a while now, our desire has been to open a cafe through the church as a means of ministry and opportunity in the neighborhood, and we are getting close! Recently we had two teams come and help us take those first steps to move forward, and while we have most of the appliances, tables and chairs needed, there is still a need for a few more things. Join us in prayer as we aim to open and have an inauguration in just a couple of weeks!

Meet Miguel

I met this precious little guy the day of our outreach back in April as he was pushing his little sister in a broken plastic car, in the middle of the street. He came to the outreach, then to church the next day and has come every Sunday since. What makes his story even more precious is the fact that he walks from his house, alone, to church every Sunday. He is also a part of our Bible Club on Saturdays and is quickly melting our hearts. Please pray for his continued safety and well being as he roams the streets and park alone so often.
